MGB G1 Long Range 2022

£2,499 ^{+OTR}
from £50.13 p/m

2x Battery's for those who want to go the extra mile ETA September

The Electric revolution has started and the G1 from MotoGB is part of that revolution with a 48V26AH Lithium 2000w Electric BOSCH Motor which is equivalent to a traditional 50cc petrol moped this can be ridden from 16 years old on a provisional licence with a CBT. Its sleek modern design makes it stand out from the crowd and gives some of the best performance in class. This long-range version of the G1 comes equipped with 2 battery's for those users who need the extra range, both can be equipped at the same time or one can be left on charge and swapped out when and as required meaning you always have the power to be where you need to be "Terms and Conditions apply"
