Hyosung GT650RC 2019

£3,999

Pre Registered mega sale

from £79.33 p/m

The GT650R delivers solid all-round performance and handling not normally associated with such a competitive price tag. The GT650 family is based upon a rigid chassis and adjustable suspension that provides precise handling and feedback whilst the new 4-piston brake calipers ensure excellent braking. The 650cc 90 degree DOHC 8 valve fuel injected motor gives both high peak output and a broad usable powerband - and sounds fabulous! The GT650R features clip on handlebars, adjustable footpegs, race inspired fairing, LED tail lights and a narrow high seat - this IS the complete Sport Bike Package!
